Re: Formal Approval of Form and Amount of Reclamation Surety, Valley Asphalt, Inc., Ekins East Quarry, M/049/032, Utah County, Utah

Dear Mr. Sumsion:

On May 7, 1999, the Director of the Division of Oil, Gas and Mining formally approved the form and amount of reclamation surety for Valley Asphalt Inc.'s Ekins East Quarry. The reclamation surety in the amount of \$327,200.00 is in the form of a surety bond (# \_\_\_\_\_) issued by American Home Assurance Company. The Division hereby grants its final approval of this project and the reclamation surety.

Enclosed please find copies of the fully signed and executed Reclamation Contract and surety bond forms for your files. Also enclosed, for your disposal or return to the surety company, is the original \$9,000 interim surety bond # \_\_\_\_\_ issued by American Home Assurance Company, which the Division held until your Large Mining Notice was approved.

Thank you for your help and patience in finalizing this permitting action. Please call me if you have any questions in this regard.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
